Program Review.... February 8th. By Doug Loughmiller WB9KPC

A large group of members turned out the 8th of Feb to hear  
Mr. Bob Harling WB9MNC from Regency give a talk on the VHF-FM  
equipment Regency Manufacturers for amateur use. Mr. Harling  
brought out several pieces of gear for us to see including the  
HR-2B 2 M FM Mobile Rig, HR-220 220 Mhz. FM Mobile and the new  
HRT-2 meter Handi-talkie. (This rig is not yet into production and  
was an exclusive for the club to see, it will be on the market  
about the time of the Dayton Hamvention.) Mr. Harlings talk  
gave general information concerning Regencys policies on service  
customer relations and the lay-out of circuit boards in the equipment.  
This program was enjoyable to those hams who are interested in  
2 Meter FM and VHF equipment.

Indpls Hamfest Committee is seeking a general chairman to put  
the hamfest on this year working with Bill Evans WB9BEN chairman  
for the past 2 years. The new chairman will thus be experienced  
to handle 1975 Hamfest as Bill wishes to retire. A member of  
IRC to handle this job is greatly desired. Contact Art Schultz  
W9BR IRC Hamfest Committee Chairman.
